Organization Name	Description	Website	Contact Information
College & Career Connections (CCC)	CCC provides eighth and ninth grade students with college and career awareness and planning information. The program reinforces the importance of academic preparation and provides a compelling rationale for taking school seriously. Its workshop series helps students assess their strengths and interests and explore how those interests intersect with various careers.	<a href="https://collegecareer.co/resources">https://collegecareer.co/resources</a>	(985) 778-9848 cindyharlan1@gmail.com
For the Love of Children	FLOC has two primary programs serving DCPS youth. The Neighborhood Tutoring Program provides one-on-one tutoring to help students in grades 1-12 achieve grade-level competency in reading and math. The Scholars Program helps students in grades 6-12 and beyond to gain the skills they need to graduate from high school, pursue higher education and achieve career success. The program includes academic and project-based workshops, academic advising, homework help, college application and financial aid support and service- learning projects.	<a href="http://www.floc.org/">http://www.floc.org/</a>	(202) 462-8686
Future Project, The	The Future Project unites passionate, driven college students, graduate students and young professionals with local high school students for a guided, year-long adventure. Future Coaches (volunteers) and Future Fellows (high school students) meet each week to explore themselves and their communities and take on team challenges that build leadership, expression and creative thinking skills. Over the course of the year, fellows design and execute a Future Project that dares them to do the impossible.	<a href="http://www.thefutureproject.org/">http://www.thefutureproject.org/</a>	(646) 481-6145
Georgetown University -- Institute for College Preparation	Georgetown University's Meyers Institute for College Preparation provides strong evidence that consistent, comprehensive, long-term academic support, coupled with parental engagement helps students in targeted schools complete high school on time and become adequately prepared to succeed in postsecondary education.	<a href="https://cmea.georgetown.edu/pre-college-programs/icp-home-page/">https://cmea.georgetown.edu/pre-college-programs/icp-home-page/</a>	(202) 687.4054
Girls Inc.	Girls Inc. provides an afterschool program at Howard University for middle school girls. The program includes tutoring, homework support, mentoring, computer applications, a Robotics Team and a variety of platforms that address personal growth, pre-college readiness and leadership development.	<a href="http://www.girlsincdc.org/">http://www.girlsincdc.org/</a>	info@girlsincDC.org
Latin American Youth Center (LAYC)	Students in LAYC's Educational Enhancement programs look forward to an enriching experience with emphasis on academics, leadership development and social skill building. In order to ensure comprehensive support for students, LAYC offers opportunities for health and fitness programs, technology access, college preparation, personal development and parental involvement.	<a href="http://www.layc-dc.org/">http://www.layc-dc.org/</a>	(202) 319-2225

Organization Name	Description	Website	Contact Information
Multicultural Career Intern Program	The Multicultural Career Intern Program provides after school social and academic services for over 1,300 children and youth at the Columbia Heights Education Campus. Remedial academic classes address math, reading, writing and science in both classroom settings and individual and group mentoring. MCIP also provides health and wellness classes and workshops and physical activities for all afterschool participants.	<a href="https://www.checdc.org/mcip.html">https://www.checdc.org/mcip.html</a>	(202) 939-7703
Opportunities Industrialization Center, Inc.	OIC/DC provides young people the opportunity to improve their academic skills. Youth engage in an intensive program that provides academic enrichment, career exploration, employability, skills training and leadership and development skills. OIC/DC provides instruction on employment related topics such as: job shadowing, life skills, employment readiness skills, career counseling, supportive services and work experience.	<a href="http://www.oicdc.org/">http://www.oicdc.org/</a>	(202) 839-3076
OSSE - Career and Technical Education (CTE)	<p>In DC, the State Office of Career and Technical Education provides leadership, coordination, and technical assistance to ensure excellence in DC's statewide system of career and technical education. We receive local and federal funds and award them to sub-grantees to ensure local education agencies (LEAs) provide equitable and high quality programs of study. Together with LEAs and other local partners, we support the following work:</p> <p>Assisting secondary and postsecondary programs in aligning career and technical education students to workforce opportunities, Easing the transition from high school to postsecondary programs, and Improving state and local accountability for CTE programming.</p>	<a href="http://osse.dc.gov/service/career-and-technical-education-cte">http://osse.dc.gov/service/career-and-technical-education-cte</a>	(202) 442-4008
OSSE - College and Exploration Month	DC College Application and Exploration Month is part of a national effort to increase the number of first-generation and low-income students who pursue a postsecondary education. The goal of DC College Application Week is to assist all graduating seniors, especially those who may not otherwise apply to college, in navigating the complex college admissions process and ensure that each participating student completes and submits at least one application.	<a href="https://osse.dc.gov/service/dc-college-application-and-exploration-month">https://osse.dc.gov/service/dc-college-application-and-exploration-month</a>	Joi.Jones@dc.gov
